Happy Memorial Day!

"To those in uniform serving today and to those who have served in the past, we honor you today and every day."

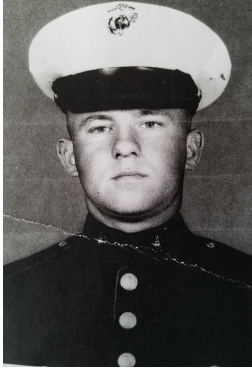

This Memorial Day is like no other in modern times. This year we also honor those fighting the Corona Virus in the hospitals, senior communities, and law enforcement on the front lines. They are our modern day heroes. God Bless them all.

We are happy to share with you our own loved ones who have served this beautiful country of ours. ~ *Iris, Linda & Netta*
